**Action Required:** X

**Ref:** DCM 138/2015

**To:** All Heads of Post-Secondary Schools (State and Non-State) and Sections

**From:** Gaetano Bugeja – Director, Curriculum Management  
Michelle Attard Tonna – Head of LOF Project

**Subject:** Learning Outcomes Framework Portal

---

The National Curriculum Framework document (2012) indicates the general learning outcomes in Early Years, Primary and Secondary cycles. The Learning Outcome Framework (LOF) project being formulated specifies the learning outcomes for each of the 8 learning areas, 6 cross curricular themes and a number of subjects. Learning outcomes are being developed along 10 attainment levels. The work developed till today relates to attainment levels 5 to 10, cover all the learning areas, all the cross-curricular themes and a number of subjects. The work being proposed supports the four aims of the Framework for the Education Strategy for Malta 2014-2024 and is aligned with the values expressed in the Respect for All Framework and recommendations given in the Education for All review, providing the basis for the educational community to assist learners reach these aims.

Heads of post-secondary education institutions are kindly asked to inform all educators that the work presently being done (in a work-in-progress state) can be viewed and commented upon on the portal for the Learning Outcomes Framework which is now open and can be accessed through:

<http://www.schoolslearningoutcomes.edu.mt>

All educators are encouraged to view the development of the Learning Areas, Cross Curricular Themes and Subjects (covering compulsory education) and **give their feedback by the 21<sup>st</sup> of June, 2015**. All feedback will be forwarded to the local curriculum experts working on the project for their consideration.

Thank you for your collaboration.
